

## **Job Posting: Drone Tech Navigators Academy Instructor**

### **About Us:**

Drone Tech Navigators Academy is dedicated to empowering the next generation of innovators by introducing them to the exciting world of drone technology. We offer programs for students in grades 3–12 that focus on STEM education, programming, drone operation, and technology exploration. Our sessions occur during school hours, after school, on weekends, and during the summer at various locations.

### **Position:**

Drone Technology Instructor

### **Job Description:**

We are seeking passionate and dedicated instructors to lead our Drone Technology programs. In this role, you will teach students the fundamentals of drone technology, safety, and operations, while fostering creativity and problem-solving skills.

### **Key Responsibilities:**

- Deliver engaging lessons in drone technology and STEM concepts to students in grades 3–12.
- Create a supportive and fun learning environment for all participants.
- Operate drones during lessons and guide students in hands-on activities.
- Stay updated with emerging drone technologies to enhance the curriculum.
- Collaborate with the program team to ensure smooth execution of all sessions.

### **Requirements:**

- Certified teacher in elementary, or secondary STEM fields, or currently enrolled in an education program. Substitute teaching certifications are also accepted.
- A TRUST certificate is required (FAA Part 107 certification is preferred).
- Minimum of 1 year teaching experience in STEM or computer programming.
- At least 1 year of experience operating drones.
- Strong willingness to learn and adapt to new drone technologies.

**Preferred Skills:**

- Excellent communication and classroom management skills.
- Enthusiasm for inspiring young minds and fostering a love for STEM.
- Familiarity with drone simulation software and basic programming is a plus.

**Schedule:**

- Flexible: during school hours, after school, weekends, and summer programs.

**Compensation:**

- Minimum \$30.00 per hour

**How to Apply:**

Interested candidates are encouraged to submit their resume and a brief cover letter explaining their interest in the position to [info@dronetechnavigators.com](mailto:info@dronetechnavigators.com). Applications will be reviewed on a rolling basis.

Join us in shaping the future of technology and inspiring young learners to reach new heights!
